### Description

Weekly summary of Hass avocado sales for specific locations found within regions of the United States

### Usage

hass

### Format

a dataframe with 17 variables

**week\_ending** The date of the last day of the week in YYYY-MM-DD format.

**location** Specific location within a region of the US. These locations enable a further deep-dive into avocado sales within a region.

**region** Specific region within the US as defined by the Hass Avocado Board.

**avg\_price\_nonorg** The average selling price in US\$ for non-organic Hass avocados. Not adjusted for inflation.

**plu4046** The amount of PLU 4046 Hass avocados sold by weight in US pounds. This does not include avocados sold in pre-packaged quantities. See vignette for more information about Hass PLUs.

**plu4225** The amount of PLU 4225 Hass avocados sold by weight in US pounds. This does not include avocados sold in pre-packaged quantities. See vignette for more information about Hass PLUs.

**plu4770** The amount of PLU 4770 Hass avocados sold by weight in US pounds. This does not include avocados sold in pre-packaged quantities. See vignette for more information about Hass PLUs.

**small\_nonorg\_bag** The amount of non-organic Hass avocados (they can be a mix of PLUs) sold in small pre-packaged containers/bags in US pounds. This does not include avocados sold individually. See vignette for more information about pre-packaged avocados.

**large\_nonorg\_bag** The amount of non-organic Hass avocados (they can be a mix of PLUs) sold in large pre-packaged containers/bags in US pounds. This does not include avocados sold individually. See vignette for more information about pre-packaged avocados.

**xlarge\_nonorg\_bag** The amount of non-organic Hass avocados (they can be a mix of PLUs) sold in extra-large pre-packaged containers/bags in US pounds. This does not include avocados sold individually. See vignette for more information about pre-packaged avocados.

**avg\_price\_org** The average selling price in US\$ for organic Hass avocados. Not adjusted for inflation.

**plu94046** The amount of PLU 94046 Hass avocados sold by weight in US pounds. This does not include avocados sold in pre-packaged quantities. See vignette for more information about Hass PLUs.

**plu94225** The amount of PLU 94225 Hass avocados sold by weight in US pounds. This does not include avocados sold in pre-packaged quantities. See vignette for more information about Hass PLUs.

**plu94770** The amount of PLU 94770 Hass avocados sold by weight in US pounds. This does not include avocados sold in pre-packaged quantities. See vignette for more information about Hass PLUs.

**small\_org\_bag** The amount of organic Hass avocados (they can be a mix of PLUs) sold in small pre-packaged containers/bags in US pounds. This does not include avocados sold individually. See vignette for more information about pre-packaged avocados.

**large\_org\_bag** The amount of organic Hass avocados (they can be a mix of PLUs) sold in large pre-packaged containers/bags in US pounds. This does not include avocados sold individually. See vignette for more information about pre-packaged avocados.

**xlarge\_org\_bag** The amount of organic Hass avocados (they can be a mix of PLUs) sold in extra-large pre-packaged containers/bags in US pounds. This does not include avocados sold individually. See vignette for more information about pre-packaged avocados.

## Details

This dataset contains a weekly sales summary for Hass avocados for locations within regions (as defined by the Hass Avocado Board) the US.
