Package ‘r2social’

December 7, 2022

Type Package
Title App Inclusion of Social Sharing and Connect Buttons
Version 1.0
Maintainer Obinna Obianom <idonshayo@gmail.com>
Description Implementation of 'JavaScript' and 'CSS' styles to allow easy incorporation of various social media elements on a page. The elements include addition of share buttons or connect with us buttons or hyperlink buttons to 'Shiny' applications or dashboards and 'Rmardown' documents.
